### ***What if that week doesn't work for me?***

No worries! Although you'll miss the video recital, you'll have access to all of the lessons and can complete them anytime over the course of one year.

### ***What if a student needs help with the music?***

You can get one-on-one help everyday of camp at Office Hours.

### ***Yeah, but what about...***

- *Camp t-shirts?* We'll send 'em to you.
- *Recital?* We're going to have all of the final videos edited into a single montage recital video.
- *Staff Concert?* We will be having a virtual staff concert on Thursday June 18.
- *Mrs. Button's Famous Snacks?* We're going to send them to you!

### ***Is enrollment still open?***

Yes! With the new format, everyone can join from anywhere in the world. Tell your friends in Timbuktu that they can join in and learn the same music so next time you get together, you'll be ready to JAM!

### ***What if I have difficulties logging in during camp?***

We will be available to assist all week long.

### ***What if I have more questions?***

We welcome them. You can contact me directly at [brian@americanfiddlemethod.com](mailto:brian@americanfiddlemethod.com)
